

Femtrepreneur Clarity Quest

Take as long as you need to fill this questions in, this is a very important process for your business. These essential steps will provide you with the clarity and direction that you need.

1. What is my mission?
(The mission is the big calling; Ex. My mission is to teach busy mums how to create time for themselves without feeling guilty). Be as specific as possible.

2. What is my purpose?
(The purpose is the deep desire of why you do what you do; Ex. My purpose is to help overwhelmed mums to create a balance and fulfilled life).

3. What are my core values?
(The core values are the important things that you and your company stands for. Ex. passion, commitment, accountability, honesty, integrity, purpose...)

4. Who is my soul client?
(Describe she or he as much as possible, gender, age, location etc).

5. What are their struggles?
(List the pains and problems your soul clients face every day).

6. How can I help my soul client?
(How can your experience, expertise and great knowledge help them?).

7. How does my dream business model look like?
(The business model which offers you the financial freedom & life you desire).

8. Am I living in alignment with my soul calling and creating the life & business I want?
(If not, list any limitations & struggles you are currently facing).
